Whanau Ora

What is Whanau Ora?

Whanau Ora is an approach that supports whanau towards achieving their goals/aspirations. It's about whanau self-managing and taking responsibility for their own economic, cultural, and social development. We will tautoko the identified needs through their whanau plans.

“Every whanau situation/needs are **different**, therefore, each plan is **different**”

Whanau Registrations

We are currently at full capacity supporting 25/25 whanau. April 2018 will show some whanau exiting therefore will be able to start new whanau plans.

Trends

- **Grants**
