BACKGROUND

BACKGROUND

BACKGROUND TO NEGOTIATIONS AND THIS DEED

In 1989, the Government announced its intention to sell the Crown's commercial forestry assets. Māori objected that the transfer of Crown forests land out of Crown ownership would be inconsistent with the principles of the Treaty of Waitangi. In *New Zealand Māori Council v Attorney-General* [1989] 2 NZLR 142, the Court of Appeal recommended that negotiations ensue to resolve the dispute in the spirit of partnership and in accordance with the principles of the Treaty of Waitangi.

On 20 July 1989, the Crown and the New Zealand Māori Council and the Federation of Māori Authorities Incorporated entered into the 1989 Crown Forests Agreement, pursuant to which the Crown Forest Assets Act was passed and the Crown Forestry Rental Trust was established. The Agreement provided that the Crown could sell its forest assets, but would retain ownership of the land, with protection mechanisms implemented by the Crown Forest Assets Act to safeguard Māori claims to the land. The parties agreed to jointly use their best endeavours to enable the Waitangi Tribunal to identify and process all claims to Crown Forest Land and to make recommendations for the return of that land within the shortest reasonable period.

Early attempts by Māori to reach a collective multi-iwi settlement in respect of the CNI Forests Land did not succeed. In 2006, the Crown entered into a deed of settlement with the Affiliate Te Arawa Iwi/Hapū (pursuant to which the Te Pumautanga o Te Arawa Trust was established as the Governance Entity for the Affiliate Te Arawa Iwi/Hapū) which included some CNI Forests Land. The New Zealand Māori Council, the Federation of Māori Authorities Incorporated, and Dr Tumu te Heuheu, Te Ariki of Ngāti Tūwharetoa, raised concerns through proceedings heard by the High Court in April 2007 (in *New Zealand Maori Council & Ors v Attorney-General & Ors* (High Court, CIV 2007- 485-95, 4 May 2007)) that the Crown had breached the 1989 Crown Forests Agreement, the Crown Forest Assets Act and the terms of the Crown Forestry Rental Trust. The High Court found that the Te Pumautanga o Te Arawa Trust interests could not, in justice, be disturbed, but also expressed a view that if the Crown were to take for itself accumulated rental funds from the "Deferred Licensed Land" as defined in the Original TPT Deed, then the Crown would be acting inconsistently with its fiduciary duty to Māori. On appeal, in *New Zealand Maori Council & Ors v Attorney-General & Ors* [2008] 1 NZLR 318, the Court of Appeal held that the Crown had acted lawfully. In November 2007, the Supreme Court granted the New Zealand Māori Council, the Federation of Māori Authorities Incorporated, and Dr Tumu te Heuheu, Te Ariki of Ngāti Tūwharetoa leave to appeal.

In June 2007, the Waitangi Tribunal held an urgent inquiry into the impact of the Crown's Treaty of Waitangi Crown Forest Land settlement policy on Te Arawa Waka and other CNI Iwi (Waitangi Tribunal, *The Final Report on the Impacts of the Crown's Treaty Settlement Policies on Te Arawa Waka and Other Tribes* (2007)). The Waitangi Tribunal found that, by offering certain CNI Forests Land

BACKGROUND

to the Affiliate Te Arawa Iwi/Hapū, the Crown had prejudiced the CNI Forests Land claims of other CNI Iwi, and breached the principles of the Treaty of Waitangi through its failure to act honourably and with the utmost good faith and to actively protect the interests of all CNI Iwi. The Tribunal further found that the Crown's deeming itself to be a confirmed beneficiary of the accumulated rentals on "Deferred Licensed Land", without consultation and in disregard of its 1989 commitments, was a breach of the principles of the Treaty of Waitangi. The Tribunal considered that the Affiliate Te Arawa Iwi/Hapū deserved a settlement, but recommended that the settlement be varied and delayed pending the outcome of a forum of CNI Iwi that would consider, according to tikanga, guidelines for the allocation of CNI Forests Land. The Tribunal considered it critical that decisions on allocation of CNI Forests Land were made by CNI Iwi themselves, on their own terms, answerable to one another.

Led by Dr Tumu te Heuheu, Te Ariki of Ngāti Tūwharetoa, the Members of the Collective and Ngāti Rangitahi formed the original Collective, and proposed engaging in good faith negotiations with the Crown to reach a fair and durable settlement of all of the Historical CNI Forests Land Claims.

At a Hui a Iwi on 29 March 2008, the trustees of the Te Pūmautanga o Te Arawa Trust agreed to work with the Collective and formally join the Collective once its amended deed of settlement was ratified by the beneficiaries of the Te Pūmautanga o Te Arawa Trust. The Crown acknowledged the generosity of Te Pūmautanga o Te Arawa and the members of the Affiliate Te Arawa Iwi/Hapū in agreeing to re-negotiate their settlement and the significant contribution made by Te Pūmautanga o Te Arawa towards the resolution of the historical claims of other CNI Iwi over the CNI Forests Land.

On 21 February 2008, Terms of Agreement were signed that recorded the intention of the Collective to generate allocation proposals to achieve the settlement of all Historical CNI Forests Land Claims. The Collective was committed to designing allocation proposals that would result in CNI Iwi determining how to allocate CNI Forests Land on the basis of mana whenua and in accordance with the principles of tikanga.

The Terms of Agreement stated that the settlement proposals would provide for:

- the honouring of the principles of the Treaty of Waitangi in the execution of and outcomes arising from this settlement;
- explicit recognition of the entitlements under the 1989 Crown Forests Agreement and the resulting Crown Forest Assets Act;
- recognition of the nature and extent of historical breaches of the Treaty of Waitangi by the Crown;
- a fair allocation of CNI Forests Land and assets amongst CNI Iwi which takes account of their customary associations with the land and historical breaches of the Treaty of Waitangi by the Crown, in accordance with

BACKGROUND

established statutory frameworks and agreements, including the Crown Forest Assets Act and the 1989 Crown Forests Agreement, and provide for appropriate resolution provisions for dealing with overlapping claims between the Members of the Collective;

- the maximisation of long term, sustainable economic development (return) to CNI Iwi through appropriate asset and portfolio selection, including investment in effective and efficient management of the CNI Forests Land and related assets, including the road network arrangements; and
- the preservation of the value of the Affiliate Te Arawa Iwi/Hapū settlement and other settlements of CNI Iwi currently on the table, including Ngāti Manawa and Ngāti Whare.

On 4 April 2008, at Waihi Marae, Waihi, Te Ariki Dr Tumu te Heuheu presented the Collective's proposal for the settlement of CNI Forests Land to Dr Michael Cullen, Minister in Charge of Treaty of Waitangi Negotiations.

On 24 April 2008, the Collective, Ngāti Rangitihi and the Crown reached an agreement in principle (the "**Agreement in Principle**") recording:

- substantive terms of settlement agreed in principle in relation to the settlement of the Historical CNI Forests Land Claims; and
- the Parties' intention to expedite the drafting of a comprehensive deed of settlement that was consistent with the Agreement in Principle.

Following their entry into the Agreement in Principle and over the period leading up to the Date of this Deed, the Collective, Ngāti Rangitihi and the Crown negotiated and agreed the terms of this Deed of Settlement.

Also over that period, each Member of the Collective held a series of hui and other meetings with its hapū, iwi and taura here rōpū to:

- present and discuss the Agreement in Principle;
- discuss the Settlement of the Historical CNI Forests Land Claims on a basis that is consistent with the Agreement in Principle; and
- satisfy itself that it had followed its tikanga to obtain a sufficient level of support, and all authorisations that each Member of the Collective considered necessary, for the Member of the Collective to enter into this Deed of Settlement.

As a result of this process and the resolutions passed at these hui and meetings, each Member of the Collective is satisfied that it:

BACKGROUND

- has a sufficient level of support and all necessary authorisations for the Member of the Collective to enter into this Deed of Settlement; and
- is duly authorised to enter into this Deed of Settlement and to effect Settlement.

Ngāti Rangitihi was unable to complete its own authorisation processes by the date of this Deed of Settlement and, as a result, Part 14 has been included to provide Ngāti Rangitihi with the opportunity to still become part of the Collective.

THIS DEED OF SETTLEMENT

This Deed of Settlement has been:

- negotiated between the Crown and the Collective; and
- duly authorised by each Member of the Collective, following the completion of the Authorisation Process (as described in clauses 3.1 and 3.2).

The Authorised Signatories are authorised by their respective Member of the Collective to sign this Deed of Settlement on behalf of the Member of the Collective.

Accordingly, each Member of the Collective, the Collective and the Crown wish, in a spirit of co-operation and compromise, to enter, in good faith, into this Deed of Settlement providing for the settlement of the Historical CNI Forests Land Claims (as defined in clauses 1.8 and 1.9).

2.11 The Collective acknowledges and agrees that neither the Collective nor any Representative Entity will object to the removal by Settlement Legislation of memorials entered under any of the Land Claims Statutory Protection Legislation.

ACKNOWLEDGEMENTS CONCERNING THE SETTLEMENT AND THE REDRESS

2.12 The Collective and the Crown acknowledge that:

- 2.12.1 their execution of this Deed and the outcomes arising from the Settlement are intended to honour the principles of Te Tiriti o Waitangi/the Treaty of Waitangi;
- 2.12.2 they have negotiated, and are entering into, this Deed in accordance with the framework and principles of the 1989 Crown Forests Agreement and the Crown Forest Assets Act;
- 2.12.3 the Settlement represents the result of intensive negotiations conducted in good faith and in a spirit of co-operation and compromise;
- 2.12.4 they have acted honourably and reasonably in relation to the Settlement;
- 2.12.5 the Crown has applied a set of general guidelines during these negotiations to ensure a fair approach to the negotiation of Historical Claims while also seeking to treat each claim including the Historical CNI Forests Land Claims on its merits;
- 2.12.6 the Crown has to set limits on what and how much redress is available to settle Historical Claims, and this also applies to the Historical CNI Forests Land Claims;
- 2.12.7 this Settlement is intended by the Collective to contribute to long term, sustainable economic development of:
 - (a) each Member of the Collective;

2: THE SETTLEMENT

- (b) the Collective;
 - (c) the central North Island; and
 - (d) New Zealand, generally;
- 2.12.8 the decision of each Member of the Collective in relation to the Settlement is a decision that each Member of the Collective takes for itself alone and it does not purport to affect the position of other tribes, including the other Members of the Collective, in relation to Future Comprehensive Settlements (except as indicated in clause 2.13.2);
- 2.12.9 the Settlement is in relation to the CNI Forests Land and the Historical CNI Forests Land Claims only and is not a comprehensive settlement of all Historical Claims of the Members of the Collective;
- 2.12.10 without limiting clauses 2.12.9, 2.12.11 and 2.12.12, entry into the Settlement is a significant step towards the settlement of the Future Comprehensive Settlements of the Members of the Collective and the Crown and the Members of the Collective acknowledge their intention to work together in a co-operative manner to expedite and accord high priority to the settlement of the Future Comprehensive Settlements;
- 2.12.11 except for the Settlement of the Historical CNI Forests Land Claims, nothing in this Deed is intended to limit the Future Comprehensive Settlements of each Member of the Collective;
- 2.12.12 nothing in this Deed is intended to limit:
- (a) the settlement of the Future Comprehensive Settlements of an Other CNI Claimant (but in the case of the transfer of CNI Forests Land (including a transfer of land as CNI Forests Land Cultural Redress) such settlements will be effected through the Crown Agreed Proportion and in accordance with the Trust Deed and Shareholders' Agreement); or
 - (b) the future assessment by the Crown, or the determination by the Waitangi Tribunal in accordance with section 6(3) of the Treaty of Waitangi Act, of what may comprise a well founded Historical Claim by an Other CNI Claimant to the CNI Forests Land. It is acknowledged that:
 - (i) having a claim based on legitimate mana whenua interests is, and will be, considered by the Collective to be fundamental to such assessment or determination; and

2: THE SETTLEMENT

- (ii) each Member of the Collective is entitled to appear and be heard by the Waitangi Tribunal on the question of the Historical Claim of an Other CNI Claimant to the CNI Forests Land;
- 2.12.13 the Collective's desire is to secure the return to the Collective of CNI Forests Land on the principle that *i riro whenua atu me hoki whenua mai* (as land is taken, so it should be returned);
- 2.12.14 the Members of the Collective have agreed the Collective's Allocation Agreement, which is set out in Schedule 3, which provides for:
 - (a) the process for determining how CNI Forests Land will be allocated amongst the Members of the Collective; and
 - (b) this allocation to be determined, among other things, on the basis:
 - (i) of mana whenua; and
 - (ii) that the principles of tikanga Māori will inform and govern the allocation process; and
- 2.12.15 taking all matters into consideration (some of which are specified in this clause), the Settlement is fair in the circumstances.

ACKNOWLEDGEMENTS CONCERNING FUTURE COMPREHENSIVE SETTLEMENTS

- 2.13 The Collective and the Crown acknowledge that:
 - 2.13.1 as at the Date of this Deed, a number of Historical Claims of the Members of the Collective that relate to matters other than CNI Forests Land remain unsettled;
 - 2.13.2 if and when a Member of the Collective's unsettled Historical Claims are settled, the Settlement under this Deed will be taken into account in, and each Member of the Collective's share of the Financial Redress pursuant to the terms of this Deed will be "on account" for, financial redress that would have otherwise been provided for in the Future Comprehensive Settlement with that Member of the Collective;
 - 2.13.3 the Crown acknowledges and agrees that:

2: THE SETTLEMENT

- (a) as at the Date of this Deed some of the Members of the Collective have not had the opportunity to discuss the Crown's assessment of their financial redress; and
- (b) the fact that no interest is being paid by the Crown to the Collective under the terms of this Deed will be taken into account:
 - (i) in the negotiations applying to the Future Comprehensive Settlements of the Members of the Collective, whenever they occur; and
 - (ii) the Crown will approach those negotiations on the basis that any interest to be paid by the Crown under those Future Comprehensive Settlements will be with effect from the date of this Deed;

2.13.4 nothing in this Settlement is intended to preclude:

- (a) each Member of the Collective discussing the Crown's assessment of, and agreeing on, the level of the Member of the Collective's financial redress as part of the Member of the Collective's individual negotiation of its Future Comprehensive Settlement; and
- (b) once an amount representing the level of the financial redress has been agreed, and for the purposes of the Future Comprehensive Settlement with the Member of the Collective:
 - (i) the Crown deducting from this amount the Member of the Collective's share of the Financial Redress pursuant to the terms of this Deed, through

the vesting of the CNI Forests Land in CNI Iwi Holdings Limited in accordance with Part 7; and
 - (ii) any remaining amount (after that deduction) being available to the Member of the Collective as financial redress for its Future Comprehensive Settlement;

2.13.5 subject to clauses 2.2, 2.3, 2.12.11 and 2.13.4(b)(i), nothing in this Settlement is intended to preclude the negotiation of other components of the Future Comprehensive Settlements with each Member of the Collective and the Settlement will not affect the other redress that would have otherwise been provided for in those Future Comprehensive Settlements, including:

2: THE SETTLEMENT

- (a) an express recognition of the nature and extent of historical breaches of the Treaty of Waitangi by the Crown in respect of the Historical Claims and the Historical CNI Forests Land Claims of the Member of the Collective;
 - (b) an apology to be provided by the Crown in recognition of all those historical breaches of the Treaty of Waitangi by the Crown;
 - (c) any financial redress that may still be available to the Member of the Collective pursuant to clause 2.13.4;
 - (d) additional commercial redress including rights of deferred selection and rights of first refusal over assets agreed in the Future Comprehensive Settlements as being available for these mechanisms; and
 - (e) cultural redress including CNI Forests Land Cultural Redress (but any transfer of CNI Forests Land as CNI Forests Land Cultural Redress will be from the Crown Agreed Proportion and in accordance with the Trust Deed and Shareholders' Agreement); and
- 2.13.6 for the purposes of clause 2.13.5(e), in respect of Future Comprehensive Settlements between the Crown and Members of the Collective:
- (a) the Collective intends to establish and obtain each Member of the Collective's agreement to a process through which the Collective may endeavour to agree:
 - (i) the extent of all or any of the cultural and spiritual values and interests in the CNI Forests Land of a Member of the Collective; and
 - (ii) the appropriate basis upon which these could be recognised in the Future Comprehensive Settlements of each of the Members of the Collective; and
 - (b) this process will only be for facilitation purposes that:
 - (i) are intended to expedite Future Comprehensive Settlements, but without binding a Member of the Collective (or, for the avoidance of doubt, the Crown) to any outcome; and
 - (ii) will not limit or restrict the basis upon which the Crown and each Member of the Collective are to agree and give

2: THE SETTLEMENT

effect, through legislation, to the CNI Forests Land Cultural Redress to be included in the Future Comprehensive Settlements of each Member of the Collective.

ACKNOWLEDGEMENT CONCERNING PRESERVATION OF VALUE OF OTHER SETTLEMENTS

- 2.14 The Crown and the Collective acknowledge that, in entering into the Settlement and taking into account the application of the acknowledgements in clause 2.13 and the future entry into the Future Comprehensive Settlements, the Crown:
- 2.14.1 has also entered into the TPT Settlement Deed to preserve, in conjunction with the Crown's entry into this Deed, the value of the settlement between the Crown and the Affiliate Te Arawa Iwi/Hapū as set out in the Original TPT Deed of Settlement; and
 - 2.14.2 will preserve the value of the other settlement offers made by the Crown to Members of the Collective including Ngāti Whare and Ngāti Manawa.

CROWN'S POSITION IN RELATION TO IMPLICATIONS OF VESTING

- 2.15 It is the Crown's position that the vesting of the CNI Forests Land in CNI Iwi Holdings Limited (as Financial Redress in accordance with Part 7 and subject to the Crown Agreed Proportion):
- 2.15.1 does not in any way imply that the Collective, any Member of the Collective or any Other CNI Claimant has a superior claim in respect of any CNI Forests Land that may comprise part or all of the Crown Agreed Proportion; and
 - 2.15.2 this Deed should be interpreted accordingly.

3: AUTHORISATION OF THE SETTLEMENT AND THE GOVERNANCE ENTITIES

3 AUTHORISATION OF THE SETTLEMENT AND THE GOVERNANCE ENTITIES

THIS DEED HAS BEEN AUTHORISED

- 3.1 Each Member of the Collective confirms to the Crown and to the other Members of the Collective that:
- 3.1.1 the Member of the Collective has appointed, or will prior to the Settlement Date appoint, a Governance Entity to act on its behalf in relation to this Settlement;
 - 3.1.2 the Governance Entity was, or will be, properly appointed and has, or will have, the authority to act on behalf of the Member of the Collective; and
 - 3.1.3 that Governance Entity will be a shareholder and beneficiary in the entities through which the Redress is to be provided and held on their behalf, being CNI Iwi Holdings Limited and the CNI Iwi Holdings Trust.
- 3.2 Each Member of the Collective confirms to the Crown and to the other Members of the Collective that this Deed and the entry into this Deed by the Member of the Collective was authorised by the following process:
- 3.2.1 prior to this Deed, the Member of the Collective held a series of hui and other meetings with its hapū, iwi and taura here ropū to:
 - (a) present and discuss the Agreement in Principle;
 - (b) discuss the Settlement of the Historical CNI Forests Land Claims on a basis that is consistent with the Agreement in Principle; and
 - (c) satisfy itself that it had followed its tikanga to obtain a sufficient level of support, and all authorisations that the Member of the Collective considered necessary, for the Member of the Collective to enter into this Deed of Settlement;
 - 3.2.2 as a result of this process and the resolutions passed at these hui and meetings, each Member of the Collective is satisfied that it has a sufficient level of support and all authorisations necessary for:
 - (a) the Agreement in Principle;

3: AUTHORISATION OF THE SETTLEMENT AND THE GOVERNANCE ENTITIES

- (b) the Member of the Collective to:
 - (i) be a Member of the Collective; and
 - (ii) enter into this Deed of Settlement, through its Authorised Signatories, and effect Settlement; and
- (c) the Member of the Collective's Governance Entity to act on behalf of that Member of the Collective as a shareholder in CNI Iwi Holdings Limited and a beneficiary under the CNI Iwi Holdings Trust;

3.2.3 each Member of the Collective therefore irrevocably confirms to the Crown and the other Members of the Collective, respectively, that:

- (a) the Member of the Collective is satisfied that it has followed its tikanga to obtain such sufficient level of support and authorisations; and
- (b) the other Members of the Collective and the Crown may therefore:
 - (i) safely rely on the resolutions referred to in clause 3.2.2 and the Member of the Collective's confirmations in this clause 3.2 for their entry into this Deed and for Settlement; and
 - (ii) enter into this Deed to effect Settlement; and

3.2.4 the Crown and the Collective therefore confirm, respectively, that they:

- (a) accept that each Member of the Collective is duly authorised to be a Member of the Collective and to enter into this Deed to effect Settlement;
- (b) are relying on the confirmations given by each Member of the Collective in this clause 3.2; and
- (c) accept that the Authorised Signatories of each Member of the Collective are duly authorised to enter into this Deed to effect Settlement on behalf of the Member of the Collective.

3: AUTHORISATION OF THE SETTLEMENT AND THE GOVERNANCE ENTITIES

REDRESS AGREED TO BY CABINET

- 3.3 The Crown confirms that the Redress to be provided under this Deed was agreed to by Cabinet on 18 June 2008.

4: SETTLEMENT LEGISLATION

4 SETTLEMENT LEGISLATION

INTRODUCTION OF SETTLEMENT LEGISLATION

- 4.1 The Crown must (subject to clause 4.2) arrange for the Settlement Legislation to have its first reading in Parliament on the Date of this Deed.

CONTENT AND COMING INTO FORCE OF THE SETTLEMENT LEGISLATION

- 4.2 The Settlement Legislation proposed by the Crown for introduction must:
- 4.2.1 include all matters required by this Deed to be included in the Settlement Legislation; and
- 4.2.2 be in the form set out in Schedule 11.

MEMBERS OF THE COLLECTIVE TO SUPPORT SETTLEMENT AND OTHER LEGISLATION

- 4.3 Each Member of the Collective and each Representative Entity must support, and will not do or permit (to the extent it is reasonably possible to do so) anything which may delay or prevent, the passage through Parliament of:
- 4.3.1 the Settlement Legislation;
- 4.3.2 the TPT Legislation; and
- 4.3.3 any other legislation required to:
- (a) give effect to this Deed;
 - (b) achieve certainty in respect of the obligations to be performed by a Party in accordance with this Deed; or
 - (c) achieve a final and durable Settlement in respect of the CNI Forests Land.
- 4.4 Clause 4.3.2 is included to confirm each Member of the Collective's and each Representative Entity's support of the TPT Settlement Deed and the TPT Legislation.

5 OTHER ACTIONS TO COMPLETE SETTLEMENT

WAITANGI TRIBUNAL

- 5.1 The Crown may, on or after the Date of this Deed:
- 5.1.1 advise the Waitangi Tribunal in writing of the Settlement and its terms, including the effect that the Settlement Legislation will have on the jurisdiction of the Waitangi Tribunal; and
 - 5.1.2 request that the Waitangi Tribunal adjourn any proceedings relating to any Historical CNI Forests Land Claims, amend its register, and adapt its procedures, to reflect the Settlement.

LAND BANK ARRANGEMENTS

- 5.2 All land bank arrangements will continue in relation to Members of the Collective (and any Representative Entity) until the settlement date of their Future Comprehensive Settlements.
- 5.3 From the Date of this Deed and pending the agreement to be reached in respect of the DSP Properties and the Collective RFR Properties under clauses 8.1 to 8.3, where the Crown wishes to sell any property that is not required for or is no longer subject to any land bank arrangement referred to in clause 5.2, or it considers is reasonably likely to be a DSP Property or Collective RFR Property (with the Crown acting consistently with the intention of this Deed), then:
- 5.3.1 the Crown must first provide the Collective with Notice that the Crown intends to sell the property, which will set out the terms and conditions (including price) at which it wishes to sell the property;
 - 5.3.2 the Collective may, within 25 Business Days from the date of the Crown's Notice, time being of the essence, provide Notice to the Crown advising that the Collective requires the property to be land banked for the purpose of clauses 8.1, 8.2 and 8.3;
 - 5.3.3 where the Crown receives such Notice from the Collective, the Crown must land bank the property for that purpose;
 - 5.3.4 where the Crown does not receive such Notice from the Collective within the 25 Business Day period, then the Crown may proceed to sell the property without further reference to the Collective, but only so long as the sale is not on terms and conditions that are more favourable to a purchaser than those notified under clause 5.3.1; and

5: OTHER ACTIONS TO COMPLETE SETTLEMENT

- 5.3.5 clauses 5.3.1 to 5.3.4 will again apply where the Crown wishes to sell the property on those more favourable terms and conditions and with all necessary modifications to ensure that the process set out in those clauses is repeated and complied with by the Crown and the Collective.
- 5.4 For the avoidance of doubt, the Collective acknowledges that:
- 5.4.1 this clause 5 is not intended to operate to limit the Future Comprehensive Settlements of each Member of the Collective (consistent with the acknowledgement provided in clause 2.12.11); and
- 5.4.2 where any property becomes subject to the land bank to be created and to apply pursuant to clause 5.3, this will not in any way prevent the Crown from including the property as redress in a Future Comprehensive Settlement with a Member of the Collective and nor will this in any way impact upon the discretion of any Member of the Collective to not provide the written agreement referred to in clauses 8.2.1 and 8.2.2.

6: SUMMARY OF THE REDRESS

6 SUMMARY OF THE REDRESS

- 6.1 This Part sets out a summary of the Redress to be provided by the Crown under Part 7: Financial Redress and Part 8: Commercial Redress.

 - 6.3.2 Commercial Redress comprising the Collective Mechanisms.
- 6.4 The Financial Redress referred to in clause 6.3.1 is agreed to have a monetary value of \$195.6 million, which is 86.7% of the agreed value of CNI Forests Land (being \$225.6 million).
- 6.5 The Financial Redress will be provided to CNI Iwi Holdings Limited in the manner provided in Part 7: Financial Redress.
- 6.6 The Commercial Redress will be provided to the DSP Entity and the RFR Entity in the manner provided in Part 8: Commercial Redress.

7.4.2 give the Collective, whether to CNI Iwi Holdings Limited or as otherwise required by the Collective, all material information (unless to do so would breach any obligation to keep that information confidential) relating to the obligation in clause 7.4.1 in sufficient time, where practicable, to enable the Collective, to make submissions to the Crown on its management of the Licensor's interest in the CNI Forests Land; and

7.4.3 in complying with this clause 7.4 have particular regard to any submissions made to it by or on behalf of the Collective about the management of the Licensor's interest in the CNI Forests Land and the conduct of the Licence Fee Reviews.

7.5 From the Date of this Deed until the Settlement Date, the Crown must conduct any Licence Fee Reviews in a manner that does not prejudice CNI Iwi Holdings Limited's position as a prospective proprietor under each CNI Crown Forestry Licence.

7.6 Subject to clause 7.7, the Crown will ensure that all licence fees the Crown receives from the Licensee, or from any guarantor of the Licensee, under each CNI Crown Forestry Licence, will be paid to the Crown Forestry Rental Trust as soon as practicable so that the Crown Forestry Rental Trust is able to pay those amounts to CNI Iwi Holdings Limited with effect from the Settlement Date.

7.7 The Crown will not be in breach of clause 7.6 if such payments are received too late (whether before or after the Settlement Date) for it to be practicable for the Crown to pay them to the Crown Forestry Rental Trust in time for the Crown Forestry Rental Trust to pay them to CNI Iwi Holdings Limited with effect from the Settlement Date and, in that case, the Crown will ensure those amounts are paid to CNI Iwi Holdings Limited on the Settlement Date or as soon as practicable after it.

7: FINANCIAL REDRESS

- 7.8 The Crown gives no warranty or indemnity to the Collective or CNI Iwi Holdings Limited that the amounts referred to in clause 7.6 will be received by the Crown, but the Crown:
- 7.8.1 acknowledges that clause 7.4 applies to the collection of those amounts from the Licensee under each CNI Crown Forestry Licence; and
 - 7.8.2 will, accordingly, until the Settlement Date, take all reasonable steps to enforce payment by the Licensees.
- 7.9 To the extent that clause 7.3 does not achieve the same effect, the Crown assigns to CNI Iwi Holdings Limited all the Crown's rights as Licensor under the CNI Crown Forestry Licences, including the right to pursue remedies against the Licensee in respect of breaches by the Licensee occurring before the Settlement Date but without limiting or affecting the Crown's rights:
- 7.9.1 relating to any failure by the Licensee to pay rates in respect of a period prior to the Settlement Date; and
 - 7.9.2 to take Court proceedings against, or defend Court proceedings by, the Licensee where:
 - (a) the proceedings relate to a loss or potential loss to, or Court order against, the Crown; or
 - (b) the proceedings relate to a clause in the CNI Crown Forestry Licence (or a replacement licence) where reference to the "Crown" or the "Crown's" is not replaced by a reference to the "Proprietor" or the "Proprietor's" in accordance with the terms of the CNI Crown Forestry Licence.
- 7.10 From the Settlement Date, CNI Iwi Holdings Limited will be responsible for all the Licensor's obligations under each CNI Crown Forestry Licence insofar as they relate to the CNI Forests Land, including, the obligation to pay any overpayment to the Licensee (and interest on it) on completion of a Licence Fee Review in respect of a period prior to the Settlement Date.

cannot be exercised in respect of any part of the CNI Forests Land subject to the relevant easement until the end of a CNI Crown Forestry Licence (whether by expiry, cancellation or termination or any other reason) in relation to that part of the CNI Forests Land;

7.20.3 the Crown and the Collective acknowledge that:

- (a) prior to this Deed, discussions were held between the Crown, the Collective and Rotorua District Council about the Whakarewarewa Forest/Tokorangi Block and the Whakarewarewa Forest/Whaka Block;
- (b) as a result of those discussions, the Crown and the Collective have agreed certain principles which are to guide further discussions between the Collective and Rotorua District Council after the date of this Deed and in relation to the Whakarewarewa Forest/Tokorangi Block and the Whakarewarewa Forest/Whaka Block; and
- (c) Ngāti Whakaue and Te Pumautanga o Te Arawa Trust will have a special role and interest in those discussions;

7.20.4 the principles are:

- (a) the preservation of the visual backdrop to Rotorua and retention of some mixed species forestry; and
- (b) continuation of the recreational amenity value of the Whakarewarewa Forest/Tokorangi Block and the Whakarewarewa Forest/Whaka Block;

7.20.5 the Collective will enter into further discussions with Rotorua District Council on management arrangements for the Whakarewarewa Forest/Tokorangi Block and the Whakarewarewa Forest/Whaka Block, including exploring cultural and commercial opportunities. Any such discussions will be subject to the terms of the relevant CNI Crown Forestry Licences, including the rights of the Licensee under the Crown Forestry Licence relating to the Whakarewarewa Forest/Whaka Block; and

7.20.6 the Collective agrees that notwithstanding the Settlement Vesting, the CNI Crown Forestry Licence relating to the Whakarewarewa Forest/Tokorangi Block will continue for the term provided for in that CNI Crown Forestry Licence, unless otherwise agreed between the Collective and Rotorua District Council.

7.22.3 the permission of a council under section 348 of the Local Government Act is not required to lay out, form, grant, or reserve a private road, private way, or right of way under this section; and

7.22.4 clause 6.2 of the CNI Crown Forestry Licences will continue to apply despite the Crown no longer being the Licensor after the Settlement Vesting and for:

- 7.25.1 the Collective will negotiate with Ngāti Awa; and

7: FINANCIAL REDRESS

- 7.34 The obligation on the Collective in clause 7.32 to procure CNI Iwi Holdings Limited to sign and return the documents by the Settlement Date will only apply if the Crown prepares and provides the documents listed in clause 7.32 to CNI Iwi Holdings Limited no later than 10 Business Days before the Settlement Date.
- 7.35 If the Crown provides the documents in clause 7.32 to CNI Iwi Holdings Limited later than 10 Business Days before the Settlement Date, the timeframe applying under clause 7.32 will be deferred by the number of days after the day that is 10 Business Days before the Settlement Date that the Crown provides the documents in clause 7.32 to CNI Iwi Holdings Limited.

COLLECTIVE MECHANISMS - DSP PROPERTIES AND COLLECTIVE RFR PROPERTIES

Identification of DSP Properties and Collective RFR Properties

- 8.1 As soon as possible following the Date of this Deed and in any event by no later than the date being six months from the Settlement Date, the Crown and the Collective will use all reasonable endeavours (with the Crown and the Collective acting consistently with the intention of this Deed) to agree all properties within the Collective Mechanism Area that are to be DSP Properties and Collective RFR Properties. For the purposes of this clause and given the significance, and importance, to the Parties of the acknowledgements in clauses 2.12.11 and 2.12.12, it is agreed that:
- 8.1.1 the Crown must approach this exercise with due regard to its, and the Collective's, desire for the Crown to not be in any way constrained by this Settlement from including any property in a deferred selection mechanism or a right of first refusal mechanism under a Future Comprehensive Settlement; and
- 8.1.2 the Crown may, at an early stage in the identification process, and without the need to give any reason other than it is concerned to preserve the integrity of the Future Comprehensive Settlements, advise the Collective that, unless the Collective can obtain a written agreement of the nature referred to in clause 8.2.1(a) or clause 8.2.2(a) (as the case may be), the relevant property will not be a DSP Property or a Collective RFR Property.
- 8.2 Where, for the purposes of clause 8.1 (but without limiting clauses 8.1.1 and 8.1.2), the Crown and the Collective identify a property that could potentially be included in the:
- 8.2.1 DSP Properties and where the Crown considers that it is likely that the potential property will be included as commercial redress in a Future Comprehensive Settlement, then:
- (a) they must obtain the written agreement of the relevant Member of the Collective, or Other CNI Claimant (who will have complete discretion as to whether or not it will provide such agreement) that the potential property will not be included as commercial redress in its Future Comprehensive Settlement; and

8: COMMERCIAL REDRESS

- (b) where this agreement is not provided by the date six months from the Settlement Date, then the potential property will not be included in the DSP Properties; or

8.2.2 Collective RFR Properties, then:

- (a) the Crown and the Collective must obtain the written agreement of the relevant Member of the Collective, or Other CNI Claimant, (who will have complete discretion as to whether or not it will provide such agreement) that the potential property will not be included as commercial redress in its Future Comprehensive Settlement; and
- (b) where this agreement is not provided by the date six months from the Settlement Date, then the potential property will not be included in the Collective RFR Properties. For the avoidance of doubt, this is not intended to prevent the potential property from becoming a Future RFR Property.

8.3 Subject to clause 8.2, all DSP Properties that are agreed as being DSP Properties will be:

8.3.1 offered to the DSP Entity to purchase on behalf of the Collective pursuant to clauses 8.4 to 8.13; and

8.3.2 if not purchased by the DSP Entity pursuant to those clauses, a RFR Property for the purposes of the RFR Deed.

Notification of interest

8.4 From time to time during the DSP Selection Period, or earlier if agreed by the Crown, the DSP Entity may give notice to the Crown that it is interested in purchasing a DSP Property.

Valuation and election to purchase

8.5 If the DSP Entity gives notice in accordance with clause 8.4 that it is interested in purchasing a DSP Property:

8.5.1 by no later than the date 40 Business Days from the date the Crown receives a notice pursuant to clause 8.4, the Crown must provide to the DSP Entity such disclosure information held by the Crown (including by the relevant Land Holding Agency) and which will be reasonably material to the DSP Entity's possible selection of the DSP Property pursuant to this Part. If applicable, this disclosure information will include the proposed terms of lease back to apply to the DSP Property in accordance with clause 8.10;

8: COMMERCIAL REDRESS

- 8.5.2 the Transfer Value of the DSP Property must be determined or agreed in accordance with the Valuation Process; and
 - 8.5.3 the DSP Entity must notify the Crown whether or not it elects to purchase any DSP Property by no later than the date 30 Business Days from the date that all the Transfer Values for the DSP Properties included in all notices given under clause 8.4 are determined or agreed in accordance with the Valuation Process, time being of the essence. The DSP Entity may give a notice on more than one occasion in respect of one or more of the DSP Properties.
- 8.6 The DSP Entity and the Crown must use reasonable endeavours:
- 8.6.1 to ensure the Valuation Process operates in the manner, and within the timeframes, specified in Part 2 of Schedule 8; and
 - 8.6.2 if the Valuation Process is delayed, to minimise the delay.

Agreement for sale and purchase

- 8.7 If the DSP Entity gives notice in accordance with clause 8.5.3 that it elects to purchase a DSP Property, the DSP Entity and the Crown will be deemed to have entered into an agreement for the sale and purchase of that DSP Property:
- 8.7.1 at the Transfer Value determined or agreed in accordance with the Valuation Process;
 - 8.7.2 with settlement of the transfer of that DSP Property to occur on the Deferred Settlement Date; and
 - 8.7.3 on the terms of transfer set out in Part 3 of Schedule 8.

Termination of obligations

- 8.8 All obligations of the Crown to the Collective and to the DSP Entity under this Deed in relation to a DSP Property (but excluding those arising under clauses 8.19-8.21 and under the RFR Deed) immediately cease if, after giving notice in accordance with clause 8.4 that it is interested in purchasing the DSP Property, the DSP Entity:
- 8.8.1 does not notify the Crown in accordance with clause 8.5.3 whether or not it elects to purchase the DSP Property; or
 - 8.8.2 notifies the Crown that it is not interested in purchasing the DSP Property.

8: COMMERCIAL REDRESS

Time limits

- 8.9 Subject to clause 8.13, time is of the essence for the time limits imposed on the Crown and the DSP Entity under clauses 8.4 to 8.8 and Parts 2 and 3 of Schedule 8.

Leasing back of any DSP Properties

- 8.10 If the DSP Entity gives notice in accordance with clause 8.5.3 that it elects to purchase a DSP Property that is to be subject to any lease back to a Crown entity required by the Crown, then the terms of the relevant lease (including the rent, the length of term and rights of renewal applicable to such lease) will be:

8.10.1 similar to the terms of lease usually applying to lease backs of similar properties that are subject to deferred selection mechanisms agreed to by the Crown in the settlement of Historical Claims. In the case of rent, this will be agreed or determined as part of the Valuation Process and for the purpose of agreeing or determining Transfer Value;

8.10.2 agreed between the Crown and the Collective (with each acting consistently with the intention of this Deed) as soon as reasonably practicable following the date that the DSP Entity gives notice in accordance with clause 8.4 that it is interested in purchasing the DSP Property; and

8.10.3 recorded in a lease instrument to be prepared by the Crown at the Crown's cost and promptly executed by the DSP Entity and the relevant Crown entity.

- 8.11 Any such lease back will commence with effect from the date of settlement of the transfer of the DSP Property to the DSP Entity pursuant to the agreement for sale and purchase constituted under clause 8.7.

- 8.12 Where any dispute arises between the Crown and the Collective in relation to the lease terms to be agreed under clause 8.10.2 (including the terms of the lease instrument to be executed pursuant to clause 8.10.3), then, upon the application of either Party, the dispute will be referred to arbitration by an arbitrator to be agreed between the Parties (failing which, and upon the application of either Party, the arbitrator will be appointed by the president for the time being of the New Zealand Law Society) and upon the following basis:

8.12.1 the arbitration will be held in accordance with the Arbitration Act;

8: COMMERCIAL REDRESS

- 8.12.2 the arbitrator's determination of the relevant lease terms will be final and binding upon the Crown and the Collective (except as to any findings of matters of law); and
- 8.12.3 the Crown and the Collective will meet their own costs in relation to the arbitration, other than the costs of the arbitrator which will be shared equally (unless determined otherwise by the arbitrator).
- 8.13 Where applicable, the time limits imposed on the Crown and the DSP Entity under clauses 8.4 to 8.8 and Parts 2 and 3 of Schedule 8, will be extended as necessary to take into account any period of time that the Collective is unable to provide a notice under those clauses because of any delay in the Crown and the Collective reaching agreement as to lease terms in accordance with clauses 8.10 and 8.12.

FUTURE DSP

Collective to have same rights to purchase

- 8.14 The Crown must offer Future DSP Properties to the Collective to purchase where:
- 8.14.1 the Future DSP Property has not been purchased pursuant to the terms of the deferred selection mechanism in the relevant Future Comprehensive Settlement Deed; and
- 8.14.2 the Future DSP Property is not subject to a right of first refusal mechanism in the relevant Future Comprehensive Settlement Deed or, if so, the Crown has obtained the written agreement of its other party to the Future Comprehensive Settlement Deed (who will have complete discretion as to whether or not it will provide such agreement) to offer the Future DSP Property to the Collective in accordance with these clauses.
- 8.15 Where the Crown offers a Future DSP Property to the Collective to purchase pursuant to clause 8.14, then the terms upon which the Collective, acting through the DSP Entity, may select and may then purchase the Future DSP Property will be the same as the terms of selection and purchase provided under the deferred selection mechanism in the relevant Future Comprehensive Settlement (including the terms as to offer, investigation and due diligence, valuation, selection, purchase and transfer), but with all necessary adjustments to timeframes agreed between the Crown and the Collective (with each acting consistently with the intent of this Deed) to give the DSP Entity the same opportunity (including the adjustment of the commencement date of relevant timeframes and processes and with the expiry date of those timeframes and processes being extended correspondingly) to select and purchase as provided under such deferred selection mechanism.

8: COMMERCIAL REDRESS

8.16 These terms of purchase will:

8.16.1 be prepared by the Crown in the form of deeds to be entered into between the Crown and the DSP Entity and which will record that the Future DSP Property, if selected, is being transferred as commercial redress pursuant to the terms of this Deed;

8.16.2 be provided by the Crown to the DSP Entity as soon as possible following the Crown's entry into each deed of settlement relating to a Future Comprehensive Settlement, together with a copy of the relevant section or clauses of that deed of settlement; and

8.16.3 once agreed, be signed by the Crown and the DSP Entity as soon as reasonably practicable.

8.17 Given the requirements of clause 8.15, it is envisaged that no disputes could arise between the Crown and the Collective as to the terms of the deeds to be provided and signed under clause 8.16. However, if a dispute does arise then either party will be entitled to refer it to arbitration and clause 8.12 will apply with all necessary modifications.

SETTLEMENT LEGISLATION FOR SELECTED DSP PROPERTIES

8.18 In addition to the requirements of clause 2.10, the Settlement Legislation must:

8.18.1 authorise the Crown to do the following:

(a) transfer the fee simple estate in a Selected DSP Property to the DSP Entity; and

(b) sign a transfer instrument or other document or do any other thing to effect a DSP Transfer;

8.18.2 provide that, in exercising the powers under clause 8.18.1, the Crown is not required to comply with any other enactment that would regulate or apply to a DSP Transfer;

8.18.3 provide that:

(a) to the extent that a Selected DSP Property is not all of the land contained in a computer freehold register, or there is no computer freehold register for all or part of the property, the Registrar-General of Land must, in accordance with a written application by an Authorised Person, and after completion of any necessary survey, create a computer freehold register for the Selected DSP Property in the name of the Crown subject to, and together with, any relevant encumbrances that are

8: COMMERCIAL REDRESS

registrable, notified or notifiable and are described in that written application;

- (b) a computer freehold register created in accordance with clause 8.18.3(a) must be created in the name of the Crown without any statement of purpose;
- (c) the Authorised Person may grant a covenant to arrange for the later creation of a computer freehold register or registers for a Selected DSP Property that is to be transferred to the DSP Entity; and
- (d) despite the Land Transfer Act:
 - (i) the Authorised Person may request the Registrar-General of Land to register a covenant referred to in clause 8.18.3(c) under that Act by creating a computer interest register; and
 - (ii) the Registrar-General of Land must register the covenant in accordance with clause 8.18.3(d)(i); and

8.18.4 provide that:

- (a) section 11 and Part 10 of the Resource Management Act do not apply to:
 - (i) a DSP Transfer; or
 - (ii) a matter incidental to, or required for the purpose of, a DSP Transfer;
- (b) a DSP Transfer:
 - (i) does not limit sections 10 or 11 of the Crown Minerals Act;
 - (ii) does not affect other rights to sub-surface minerals;
 - (iii) does not limit the Crown's or a local authority's rights and obligations in respect of geothermal energy and geothermal water (as both terms are defined in section 2(1) of the Resource Management Act) under any enactment or rule of law; or

8: COMMERCIAL REDRESS

- (iv) is a disposition for the purposes of Part 4A of the Conservation Act, but that sections 24(2A), 24A and 24AA of that Act do not apply to the disposition;
- (c) the permission of a council under section 348 of the Local Government Act is not required for laying out, forming, granting or reserving a private road, private way or right of way that may be required to fulfil the terms of this Deed in relation to a DSP Transfer; and
- (d) it is sufficient evidence that the DSP Transfer has been effected under this clause 8.18 if the Registrar-General of Land has executed a statement to that effect on the document effecting the DSP Transfer.

COLLECTIVE MECHANISMS - RFR PROPERTIES

The Crown to provide a RFR Deed

- 8.19 The Crown must, by or on the Settlement Date, provide the RFR Entity with two copies of a deed on the terms and conditions in the form set out in Part 4 of Schedule 8 (the "**RFR Deed**") signed by the Crown.

Signing and return of RFR Deed by RFR Entity

- 8.20 The Collective must procure the RFR Entity to:
- 8.20.1 sign both copies of the RFR Deed; and
 - 8.20.2 return one copy to the Crown by no later than 10 Business Days after the Settlement Date.

Terms of the RFR Deed

- 8.21 The RFR Deed will:
- 8.21.1 relate to the RFR Properties; and
 - 8.21.2 be in force for a period being 100 years from the Settlement Date.

FURTHER DISCUSSIONS BETWEEN CROWN AND COLLECTIVE

- 8.22 The Crown records its willingness to enter into discussions with the Collective about the potential availability to the Collective of assets and interests of the Crown within the Collective Mechanism Area and beyond the assets comprising the DSP Properties, Future DSP Properties and the RFR Properties. For the avoidance of doubt, this:

8: COMMERCIAL REDRESS

- 8.22.1 imposes no obligation upon the Crown beyond the obligation to have such discussion; and

- 9.4.1 the Accumulated Rentals and the Ongoing Rentals are to be paid to CNI Iwi Holdings Limited to receive and hold pursuant to the CNI Iwi Holdings Trust;
- 9.4.2 86.7% of the Accumulated Rentals will be distributed by CNI Iwi Holdings Limited, upon its receipt of the Accumulated Rentals, to the respective Governance Entities or the Members of the Collective in accordance with the Collective's Agreed Proportions. This distribution will be subject to CNI Iwi Holdings Limited not receiving a written direction from a Member of the Collective or its Governance Entity to transfer some or all of the Collective's Agreed Proportion in respect of that Member of the Collective to a party nominated by that Member of the Collective or its Governance Entity, including the Forest Management Company; and
- 9.4.3 Agreed Proportions apply to the interest of the Crown and each Member of the Collective in the Ongoing Rentals and pursuant to the CNI Iwi Holdings Trust, until the Collective's Final Allocation Date.

SPECIFIED TRANSFER PERIOD AND PERMITTED TRANSFERS OF CNI FOREST LAND

9.5 The Parties agree that during the Specified Transfer Period CNI Iwi Holdings Limited must not transfer any CNI Forests Land, other than any transfer required to give effect to a transfer of CNI Forests Land:

9.5.1 to an Other CNI Claimant (or its nominee):

- (a) during the Crown Initial Period;
- (b) in the case of a Future Comprehensive Settlement with the Other CNI Claimant, but in respect of which the Crown must first consult with the Collective on a basis that:
 - (i) is further described in the Trust Deed and Shareholders' Agreement and the Settlement Legislation;
 - (ii) may result in a determination by the Waitangi Tribunal in accordance with the Settlement Legislation; and
 - (iii) is not intended by the Crown or the Collective to limit the application of clauses 2.12.11 and 2.12.12 (recording, respectively, that this Deed is not intended to limit the Future Comprehensive Settlements of the Members of the Collective and Other CNI Claimants);
- (c) out of the Crown Agreed Proportion; and
- (d) which is permitted under the Trust Deed and Shareholders' Agreement and the Settlement Legislation; or

9.5.2 to a Member of the Collective or its Governance Entity (or its nominee) of CNI Forests Land Cultural Redress during the Crown Initial Period on a basis that is:

- (a) further described in the Trust Deed and Shareholders' Agreement;
- (b) not intended by the Crown or the Collective to limit the application of clauses 2.12.11 and 2.12.12 (recording, respectively, that this Deed is not intended to limit the Future Comprehensive Settlements of the Members of the Collective and Other CNI Claimants);
- (c) out of the Crown Agreed Proportion; and

9: SETTLEMENT STRUCTURE

- (d) permitted under the Trust Deed and Shareholders' Agreement and the Settlement Legislation; or
- 9.5.3 to a Member of the Collective or its Governance Entity (or its nominee):
- (a) during the Specified Transfer Period;
 - (b) in accordance with the Collective's Allocation Agreement;
 - (c) on the basis set out in the Trust Deed and Shareholders' Agreement and Deed of Settlement that requires CNI Iwi Holdings Limited to retain, unless otherwise agreed by Unanimous Resolution, until the Collective's Final Allocation Date, the right to Ongoing Rentals, other income and management rights in respect of the land transferred; and
 - (d) which is permitted under the Trust Deed and Shareholders' Agreement and the Settlement Legislation.
- 9.6 The Crown will bear its own costs and the reasonable third party legal and other consultant expenses and registration costs incurred by CNI Iwi Holdings Limited pursuant to clause 9.5.

Settlement Legislation

- 9.7 The Settlement Legislation will provide that clause 7.3.4(a) to (c), with all necessary modifications, will apply to any transfer permitted under clause 9.5 and effected during:
- 9.7.1 the Crown Initial Period, in relation to transfers permitted under clause 9.5.1 and 9.5.2; and

 - 9.8.2 existing access;
 - 9.8.3 public right of way easements;

- 9.8.8 conservation covenants; and
- 9.8.9 the Capella Road Covenant.

PROVISION OF RELEVANT INFORMATION BY CROWN TO COLLECTIVE TO ASSIST ALLOCATION OF CNI FORESTS LAND

- 9.9 Without limiting its obligations under clause 2.12.10, the Crown will inform the Collective when it enters into discussions with an Other CNI Claimant and keep the Collective reasonably informed in relation to any CNI Forests Land that the Crown may agree to include as redress under a Future Comprehensive Settlement with an Other CNI Claimant (to be transferred out of the Crown Agreed Proportion in accordance with the Trust Deed and Shareholders' Agreement). This is intended to:
 - 9.9.1 enable the Crown and the Collective to identify, at the earliest reasonably possible stage during the Crown Initial Period:
 - (a) all CNI Forests Land to be included as such redress in Future Comprehensive Settlements with an Other CNI Claimant; and
 - (b) the remaining CNI Forests Land which may be allocated by the Collective to Members of the Collective in accordance with the Collective's Allocation Agreement; and

NZUs

- 9.11 The Crown and the Collective acknowledge that as a consequence of the Settlement Vesting there will be an allocation, and issue by the Crown, of NZUs to the Collective's NZUs Entity:
- 9.11.1 in respect of the CNI Forests Land and after taking into account the allocation and issue of Crown NZUs in accordance with clause 9.14; and
 - 9.11.2 on the basis that the CNI Forests Land is Pre-1990 Forest Land.
- 9.12 This allocation and issue of NZUs to the NZUs Entity is to be:
- 9.12.1 made to the NZUs Entity as if it were the owner of the CNI Forests Land for the purposes of current clause 68(2)(c)(i)(B) of the Climate Change Emissions Trading Bill (or any amended or replacement clause having the same effect as that current clause);
 - 9.12.2 free of charge;
 - 9.12.3 at the rate per hectare determined pursuant to clause 9.13 (as at the Date of this Deed and with reference to the current draft of the Climate Change Emissions Trading Bill it is envisaged that this rate will be 18 NZUs per hectare of Pre-1990 Forest Land); and
 - 9.12.4 subject to the Climate Change Emissions Trading Bill being passed into law.
- 9.13 The rate per hectare of NZUs to be allocated and issued to the Collective pursuant to clause 9.12 will be the same as the rate to apply to the allocation and issue of NZUs to be made to Māori owners of Pre-1990 Forest Land:
- 9.13.1 represented by the Climate Change Iwi Leadership Group or otherwise; and
 - 9.13.2 which reflect the outcome of discussions about the Climate Change Emissions Trading Bill between the Crown and the Climate Change Iwi Leadership Group or otherwise.
- 9.14 The Crown will also allocate and issue Crown NZUs to CNI Iwi Holdings Limited to hold in accordance with the Trust Deed and Shareholders' Agreement and as part of the Crown Agreed Proportion. This allocation and issue is also subject to the Climate Change Emissions Trading Bill being passed into law.

9: SETTLEMENT STRUCTURE

- 9.15 The Crown and the Collective will agree the terms of the NZUs Deed and enter into the NZUs Deed as soon as reasonably practicable following the Date of this Deed. These terms will include:
- 9.15.1 the basis of allocation and issue set out in clauses 9.12 to 9.14 (including, in the event of there being different classes of NZUs, an appropriate pro-rata allocation of those classes amongst the Crown and the Collective);
 - 9.15.2 a Tax indemnity in relation to the receipt by the NZUs Entity of the NZUs equivalent to that provided, under Part 10, to CNI Iwi Holdings Limited; and
 - 9.15.3 such other terms that the Crown and the Collective agree are necessary to give effect to that allocation and issue (with each Party acting consistently with the intention of this Deed).
- 9.16 It is acknowledged by the Parties that, although the NZUs are to be provided as part of the Settlement, pursuant to this Part 9, the NZUs:
- 9.16.1 do not form part of the Redress; and
 - 9.16.2 are being provided as a consequence of the Settlement Vesting (similar to the Accumulated Rentals).

WHERE CNI IWI HOLDINGS LIMITED IS DSP ENTITY, NZUs ENTITY OR RFR ENTITY

- 9.17 It is acknowledged that CNI Iwi Holdings Limited may be, or from time to time may be the, DSP Entity, NZUs Entity or RFR Entity.

- 9.19 To the extent to which clause 9.17 does not apply, the Crown's obligations to the relevant entity will be conditional on the entity entering into a direct deed binding the entity to the provisions of this Deed. CNI Iwi Holdings Limited will be primarily liable for the obligations of the entity.

ACKNOWLEDGEMENTS

10.2 For the avoidance of doubt, the Parties acknowledge:

10.2.1 that the Tax Indemnities given by the Crown in this Part, and the principles and acknowledgements in clauses 10.1 and 10.2 respectively:

- (a) apply only to the receipt by CNI Iwi Holdings Limited of Redress and Indemnity Payments; and
- (b) do not apply to any subsequent dealings, distributions, Payments, uses or applications by CNI Iwi Holdings Limited, or any other persons, with or of Redress or Indemnity Payments;

10.2.2 each obligation to be performed by the Crown in favour of CNI Iwi Holdings Limited under this Deed is performed as Redress and without charge to, or consideration to be provided by, CNI Iwi Holdings Limited or any other person, provided that this clause 10.2.2 does not extend to the obligations to be performed by the Crown in respect of a Collective Mechanism, and nor does it affect the obligation of CNI Iwi Holdings Limited to pay the purchase price relating to a property under an agreement for sale and purchase entered into under a Collective Mechanism;

10.2.3 without limiting clause 10.2.2, no covenant, easement, lease, licence or other right or obligation which this Deed records that does or will apply to or in respect of any item of Redress, will be treated as consideration (for GST or any other purpose), for the Transfer of such Redress by the Crown to CNI Iwi Holdings Limited; and

10.2.4 without limiting clause 10.2.2, the Payment of amounts, and the bearing of costs from time to time, by CNI Iwi Holdings Limited in relation to any item of Redress (including:

- (a) rates, charges and fees;
- (b) the apportionment of outgoings and incomings; and
- (c) maintenance, repair or upgrade costs and rubbish, pest and weed control costs);

10: TAX

ACT CONSISTENT WITH PRINCIPLES

- 10.3 Neither CNI Iwi Holdings Limited (nor any Member of the Collective or any other person associated with CNI Iwi Holdings Limited) nor the Crown will act in a manner that is inconsistent with the principles or acknowledgements set out or reflected in clauses 10.1 and 10.2 respectively.

MATTERS NOT TO BE IMPLIED FROM PRINCIPLES

- 10.4 Nothing in clause 10.1 is intended to suggest or imply:
- 10.4.1 that the Payment, credit or Transfer of Redress, or an Indemnity Payment, by the Crown to CNI Iwi Holdings Limited is or will be chargeable with GST; or
 - 10.4.2 that Gift Duty should or can be imposed on any Payment to, or transaction with, CNI Iwi Holdings Limited under this Deed.

10.13.1 has retained the Payment made by the Crown (which, for the avoidance of doubt, includes any situation where CNI Iwi Holdings Limited has not transferred the Payment to the Inland Revenue Department but has instead paid, applied or transferred the whole or any part of the Payment to any other person or persons);

10.16.2 subject to CNI Iwi Holdings Limited being Indemnified to its reasonable satisfaction against any reasonable cost, loss, expense or liability or any Tax which it may suffer, incur or be liable to pay, the Crown will have the right, by Notice to CNI Iwi Holdings Limited, to require CNI Iwi Holdings Limited to:
